NON-ALCOHOLIC LINE

Kaly Syrup

KALY is a naturally flavored syrup, result of extensive researches which have achieved a perfect harmony of fruit and flower extracts that can enrich cocktail drinks, soft drinks, coffee and give a very special touch to cooking.

KALY line is composed by 37 different syrups, including an exclusive tropical line of 8 typical Brazilian fruits.

The background of the image is a sophisticated bar interior. On the left, a plush, tufted leather sofa is partially visible. In the center-right, a curved bar with a dark countertop is lined with several black leather bar stools. Behind the bar, extensive shelves are filled with a wide variety of bottles, likely spirits, illuminated by warm, golden light. The ceiling features a large, ornate chandelier. In the foreground, a crystal-cut glass filled with a reddish-brown liquid and ice sits on a dark coaster atop a dark wooden table. The overall atmosphere is elegant and intimate.
